REVIEW REPORT ON THE INTERIM CONDENSED CONSOLIDATED FINANCIAL STATEMENTS
TO THE CHAIRMAN AND THE BOARD OF DIRECTORS OF JORDAN KUWAIT BANK
A PUBLIC LIMITED SHAREHOLDING COMPANY

Introduction

We have reviewed the accompanying interim condensed consolidated statement of financial position of Jordan Kuwait Bank ("the Bank") and its subsidiaries (together "the Group") as at 31 March 2024 and the interim condensed consolidated statement of income, and the interim condensed statement of comprehensive income and the interim condensed consolidated statements of changes in shareholders' equity and interim condensed consolidated statement of cash flows for the three months period then ended and other explanatory notes. Management is responsible for the preparation and presentation of this interim condensed financial statements in accordance with International Accounting Standard (34) "Interim Financial Reporting" as amended by the Central Bank of Jordan instructions. Our responsibility is to express a conclusion on these interim condensed consolidated financial statement based on our review.

Scope of review

We conducted our review in accordance with the International Standard on Review Engagements (2410) "Review of Interim Financial statement performed by the Independent Auditor of the Entity". A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim condensed consolidated financial statements are not prepared, in all material respects, in accordance with IAS (34) as amended by the Central Bank of Jordan instructions.

(1) GENERAL INFORMATION

Jordan Kuwait Bank was established as a Jordanian Public Limited Shareholding Company under the registration number (108) on 25 October 1976 in accordance with the Jordanian Companies Law No. (13) for the year 1964. The Head Office of the Bank is located in Omaya Bin Abdshams Street, Abdali. Tel. (+962 6 5629400), P.O. Box (9776), Amman – (11191) Jordan. The Bank current authroised and paid-in capital amounts to JD 150 million distributed on 150 million shares, with a par value of JD 1 per share.

The Bank provides all banking and financial activities related to its operations through its head office and (65) branches inside the Kingdom and (1) foreign branch, and through its group of subsidiaries which provide banking services, financial leasing and financial brokerage services. During 2023 the Bank completed the acquisition of 53.44% of the capital of Bank of Baghdad located in Iraq.

Jordan Kuwait Bank is a Public Shareholding Company limited and is listed in Amman Stock Exchange.

Jordan Kuwait Bank is 50.927% owned by Al Rawabi United Holding Company and the financial statements of the Bank are consolidated within the consolidated financial statements of the ultimate parent Company Kuwait Projects Holding Company (KIPCO).

These interim condensed consolidated financial statements were approved by the Bank's Board of Directors on their meeting number (5/2024) held on 25 April 2024.

(2) MATERIAL ACCOUNTING POLICY INFORMATION

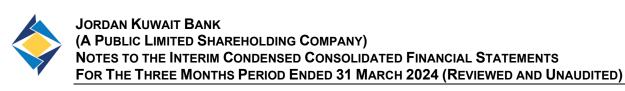

The following is the material accounting policy information followed by the Group in the preparation of these interim condensed consolidated financial statements:

2.1 Basis of preparation

The interim condensed consolidated financial statements of the Bank and its subsidiaries (together 'the group') have been prepared in accordance with International Accounting Standards No. (34) ("interim financial reporting") as amended by Central Bank of Jordan instructions.

The main differences between the IFRSs as they shall be applied and what has been approved by the Central Bank of Jordan are the following:

1. Some items are classified and presented in the consolidated statement of financial position, consolidated statement of income and the consolidated statement of cash flows and the related disclosure, such as credit facilities, interest in suspense, expected credit losses, investments, fair value levels, segments classification and disclosures related to risks and others, are presented and disclosed in accordance with the requirements of the Central Bank of Jordan, its instructions and circulated guidance which might not include all the requirements of IFRS such as IFRS 7, 9 and 13.

- 2. Provisions for expected credit losses are formed in accordance with the instructions of the Central Bank of Jordan (No. 13/ 2018) "Application of the IFRS (9)" dated 6 June 2018 and in accordance with the instructions of the supervisory authorities in the countries in which the bank operates, whichever is stricter. The significant differences are as follows:
- a) Debt instruments issued or guaranteed by the Jordanian government are excluded, so that credit exposures are treated and guaranteed by the Jordanian government without credit loss.
- b) When calculating credit losses against credit exposures, the calculation results are compared according to IFRS (9) under the instructions of the Central Bank of Jordan No. (2009/47) of 10 December 2009 for each stage separately and the stricter results are booked.
- *According to the instructions of the Central Bank of Jordan No. (47/2009) issued on 10 December 2009 regarding the classification of credit facilities and the calculation of the impairment provisions, credit facilities were classified into the following categories:
- a) Low risk credit facilities, which do not require any provisions:

These are credit facilities that have any of the following characteristics:

- 1. Facilities granted and guaranteed by the Jordanian government, as well as to the governments of countries in which Jordanian banks have branches, provided that these facilities are granted in the same currency of the host country.
- 2. Cash Guaranteed by (100%) of the outstanding balance at any time.
- 3. Facilities guaranteed with an acceptable bank guarantee at (100%).

b) Acceptable risk credit facilities, which do not require provision:

These are credit facilities that have any of the following characteristics:

- 1. Strong financial positions and adequate cash flows.
- 2. Contracted and covered with duly accepted guarantees.
- 3. Having good sources of repayment.
- 4. Active account movement and regular repayment of principal and interest
- 5. Efficient management of the client.

C) Credit facilities listed under the watch-list (requiring special attention) which impairment allowances for are calculated within a range of (1.5% - 15%):

These are credit facilities that have any of the following characteristics:

- 1) The existence of dues for a period of more than (60) days and less than (90) days for the principal of credit facilities and/or interest.
- 2) Exceeding the overdraft predetermined limit by (10%), and for a period of more than (60) days and less than (90) days.
- 3) Credit facilities that have previously been classified as non-performing credit facilities then reclassified from the list upon meeting the rescheduling criteria.
- 4) Acceptable-risk credit facilities that has been rescheduled twice in one year.
- 5) Credit facilities that have been expired for more than (60) days and less than (90) days and have not been renewed.

D) Non-performing credit facilities:

The credit facilities that have any of the following characteristics:

1) They are past due, or the maturity of one of their instalments, or default payment of the principal amount and / or interest, or dormant current debit account for the following periods:

Classification	Number of past due days	The percentage of the provision for the first year		
Sub-standard credit facilities	(90) – (179) days	25%		
Doubtful credit facilities	(180) – (359) days	50%		
Bad debt/loss credit facilities	(360) days and more	100%		

- 2) Overdrafts that exceed the granting limit by (10%) and more, and for the duration of (90) days and more.
- 3) Credit facilities that have been expired for 90 days or more and have not been renewed.
- 4) Credit facilities granted to any customer declared bankrupt or to any company that has been deemed under liquidation.
- 5) Credit facilities that were restructured three times within a year.
- 6) Current and on-demand accounts overdrawn for (90) days or more.
- 7) The value of guarantees paid on behalf of the clients and were not credited to their accounts with past due of (90) days or more.

The expected credit losses provision against credit facilities is calculated in accordance with the 2009/47 instructions for this category of facilities according to the above ratios and the amount of unguaranteed credit facilities during the first year, while the allocation of the covered amount is completed at 25% and over four years.

- 3. Interest and commissions are suspended on non-performing credit facilities and facilities classified within the third stage in accordance with the instructions of the Central Bank of Jordan and in accordance with the instructions of the supervisory authorities in the countries in which the Bank operates, whichever is stricter.
- 4. Assets that have been seized by the Bank against debts are stated in the consolidated statement of financial position within other assets at the acquisition cost or the fair value, whichever is lesser, and are revalued on the date of the consolidated financial statements individually. Any impairment in their value is recorded as a loss in the consolidated statement of income and any appreciation in value is not recorded as income. The subsequent increase is taken to the consolidated statement of income to the extent that it does not exceed the value of the previously recorded impairment.

The Central Bank of Jordan, pursuant to Circular No. 10/3/16234 dated 10 October 2022, cancelled all previous circulars, which stipulate the deduction of provisions against seized assets that violates the banking law, while maintaining the provisions balances against real estate and to be released upon the disposal of such assets.

- 5. Cash and balances with the Central Bank item include, the cash reserve requirement item, which represents restricted balances according to the Central Bank's instructions and in accordance with the instructions of the supervisory authorities in the countries in which the Bank operates, whichever is stricter.
- 6. Intangible assets were not recorded against the value of customers' deposits which resulted from the acquisition of Bank of Baghdad, with an estimated value of USD 37M which is equivalent to JOD 26M.
- The interim condensed financial statements have been prepared under the historical cost except for some financial instruments, which are measured at fair value at the end of each period.
- The Jordanian Dinar is the presentation currency for the interim condensed consolidated financial statements.
- These interim condensed consolidated financial statements do not include all information and disclosures required in the annual financial statements prepared in accordance with IFRS Accounting Standards as amended by the Central Bank of Jordan, these interim condensed consolidated financial statements should be read in conjunction with the audited consolidated financial statements of the Group for the year ended on 31 December 2023. Furthermore, the results of operations for the period ended on 31 March 2024 do not necessarily reflect an accurate indicator about the expected results for the year ended 31 December 2024.

The preparation of the interim condensed consolidated financial statements in conformity with IFRS Accounting Standards requires the use of certain critical accounting estimates. It also requires management to exercise its judgment in the process of applying the Bank's accounting policies. The areas involving a higher degree of judgment or complexity, or areas where assumptions and estimates are significant to the interim condensed consolidated financial statements are disclosed in (note 3).

(a) New and amended standards and interpretations issued and adopted by the Group in the financial year beginning on 1 January 2024:

Classification of Liabilities as Current or Non-current – Amendments to IAS 1 Non-current Liabilities with Covenants – Amendments to IAS 1 - These amendments clarify how conditions with which an entity must comply within twelve months after the reporting period affect the classification of a liability. The amendments also aim to improve information an entity provides related to liabilities subject to these conditions.

Lease Liability in a Sale and Leaseback – Amendments to IFRS 16:

These amendments include requirements for sale and leaseback transactions in IFRS 16 to explain how an entity accounts for a sale and leaseback after the date of the transaction. Sale and leaseback transactions where some or all the lease payments are variable lease payments that do not depend on an index or rate are most likely to be impacted.

Supplier finance arrangements – Amendments to IAS 7 and IFRS 7:

These amendments require disclosures to enhance the transparency of supplier finance arrangements and their effects on an entity's liabilities, cash flows and exposure to liquidity risk. The disclosure requirements are the IASB's response to investors' concerns that some companies' supplier finance arrangements are not sufficiently visible, hindering investors' analysis

Sale or contribution of assets between an investor and its associate or joint venture – Amendments to IFRS 10 and IAS 28 -

The IASB has made limited scope amendments to IFRS 10 Consolidated Financial Statements and IAS 28 Investments in Associates and Joint Ventures.

The amendments clarify the accounting treatment for sales or contribution of assets between an investor and their associates or joint ventures. They confirm that the accounting treatment depends on whether the nonmonetary assets sold or contributed to an associate or joint venture constitute a 'business' (as defined in IFRS 3 Business Combinations).

The implementation of the above standards did not have a material impact on the interim condensed consolidated financial statements.

(b) The following new standards, amendments and interpretations that have been issued but are not yet effective which will be effective starting from 1 January 2024:

Amendments to IAS 21 – Lack of Exchangeability (early adoption is available)

An entity is impacted by the amendments when it has a transaction or an operation in a foreign currency that is not exchangeable into another currency at a measurement date for a specified purpose. A currency is exchangeable when there is an ability to obtain the other currency (with a normal administrative delay), and the transaction would take place through a market or exchange mechanism that creates enforceable rights and obligations.

The management is still in the process of evaluating the impact of these new amendments on the Group's interim condensed consolidated financial statements, and it believes that there will be no significant impact on the interim condensed consolidated financial statements when they are implemented.

There are no other standards that are not yet effective and that would be expected to have a material impact on the Group in the current year starting 1 January 2024 or future reporting periods and on foreseeable future transactions.

2.3 Basis of consolidating the interim condensed financial statements

The interim condensed consolidated financial statements include the financial statements of the Bank and the companies under its control (its subsidiaries), and control is achieved when the Bank:

- Has the ability to control the investee;
- Is exposed to variable returns, or has the right to variable returns, resulting from its association with the investee;
- Has the ability to use its power to influence the returns of the investee.

The Bank will re-estimate whether it controls the investees or not if the facts and circumstances indicate that there are changes on one or more of the control points referred to above.

In the event that the Bank's voting rights fall below the majority of voting rights in any of the investees, it will have the power to control when voting rights are sufficient to give the Bank the ability to unilaterally direct the related subsidiary activities. The bank takes into account all facts and circumstances when estimating whether the Bank has voting rights in the investee that are sufficient to give it the ability to control or not. These facts and circumstances include:

- The volume of voting rights the Bank has in relation to the number and distribution of other voting rights;
- Potential voting rights held by the Bank and any other voting rights holders or parties;
- Rights arising from other contractual arrangements; and
- Any additional facts and circumstances indicating that the bank has, or does not have, a current responsibility to direct the relevant activities at the time the required decisions are taken, including how to vote in meetings of previous general assembly's meetings.

The subsidiary is consolidated when the Bank controls the subsidiary and is deconsolidated when the Bank loses control of the subsidiary. Specifically, the results of operations of subsidiaries acquired or excluded during the year are included in the interim condensed consolidated statement of profit or loss from the date on which control is achieved until the date the control of the subsidiary is lost.

Profits and losses and each item of the comprehensive income are distributed to the owners in the entity and the non-controlling interest, the comprehensive income for the subsidiaries belonging to the owners in the entity and the non-controlling share is distributed even if this distribution will lead to a deficit in the balance of the non-controlling interest.

Adjustments are made to the financial statements of the subsidiaries, when required, to align their accounting policies with those used by the Bank.

Non-controlling interests in the subsidiaries are determined separately from the Bank's equity in these entities. The non-controlling interests of the shareholders currently present in the equity granted to their owners with a proportionate share of the net assets upon liquidation may be measured initially at fair value or by the proportionate share of non-controlling interests in the fair value of the identifiable net purchase amount of assets. The measurement is selected on an acquisition basis. Other non-controlling interests are initially measured at fair value. After acquisition, the carrying value of non-controlling interests is the value of these interests upon initial recognition, in addition to the non-controlling interest's share of subsequent changes in equity. Total comprehensive income is attributable to the non-controlling interests balance.

Changes in the Bank's interest in subsidiaries that do not result in loss of control are accounted for as equity transactions. The present value of the Bank's and non-controlling interests are adjusted to reflect changes in their relative shares in the subsidiaries. Any difference between the amount by which the non-controlling interests are adjusted and the fair value of the consideration paid or received is recognised directly in equity and attributed to the owners of the Bank.

When the bank loses control of a subsidiary, the profit or loss resulting from the disposal is calculated in the interim condensed consolidated statement of profit or loss, with the difference between (1) the total fair value of the consideration received and the fair value of any remaining shares and (2) the present value of the assets (including goodwill), less the liabilities of the subsidiary and any non-controlling interests.

All amounts previously recognised in the other comprehensive income in relation to that subsidiary are accounted for as if the Bank had directly disposed of the assets or liabilities related to the subsidiary.

The fair value of the investment that is held in the previous subsidiary at the date of loss of control is considered to be the fair value upon initial recognition of subsequent accounting under IFRS (9) "Financial instruments" when the provisions of this standard apply, or the cost of initial recognition of investment in an associate or a joint venture.

The result of operations of the subsidiaries are consolidated in the consolidated statement of income from the date of their ownership which is the date on which the control on the subsidiaries is actually transferred to the Bank. The results of disposed operations of subsidiaries are consolidated in the consolidated statement of income up to the disposal date, which is the date on which the Bank loses control over the subsidiaries.

The result of operations of the subsidiaries are consolidated in the consolidated statement of income from the date of their ownership which is the date on which the control on the subsidiaries is actually transferred to the Bank. The results of disposed operations of subsidiaries are consolidated in the consolidated statement of income up to the disposal date, which is the date on which the Bank loses control over the subsidiaries.

The Bank has the following subsidiaries:

31 March 2024 and 31 December 2023

Company's name	Paid in capital JD	Bank's ownership %	Nature of operations	Location	Date of acquisition
Bank of Baghdad	162,366,412	53,44	Commercial Bank	Iraq	2023
Ejara Finance Leasing Company	20,000,000	100	Finance leasing	Amman, Jordan	2011
*United Financial Investments Company	10,000,000	78,46	Brokerage and investments	Amman, Jordan	In phases, starting from 2002

- Non-controlling interest amounted to JD 132,510,328 as of 31 March 2024, against JD 112,767,872 as of 31 December 2023. Details are as follows:

	31 March 2024	31 December 2023
	JD	JD
Bank of Baghdad	132,510,328	112,767,872
	132,510,328	112,767,872

^{*}This investment was accounted for as held for sale in accordance with IFRS 5 "Held for sale" starting from 31 De

(3) ACCOUNTING ESTIMATES

The preparation of the interim condensed consolidated financial statements and the application of accounting policies require the Bank's management to make estimates and judgements that affect the amounts of assets and liabilities and disclosure of contingent liabilities. These estimates and judgments affect the revenues, expenses, provisions and reserve of valuation of financial assets at fair value. In particular, it requires the Bank's management to issue critical judgements to estimate the amounts of future cash flows and their timing.

The mentioned estimates are necessarily based on multiple assumptions and factors involving varying degrees of judgment and uncertainty and that actual results may differ from the estimates as a result of changes resulting from the conditions and circumstances of those estimates in the future. Judgements, estimates and assumptions are reviewed on an ongoing basis. The impact of change in estimates is recognised in the reporting period in which this change occurs if the revision affects only that period and the effect of the change in estimates is recognised in the reporting period in which this change occurs and in future reporting periods if the revision affects both current and future periods.

The accounting estimates used in preparing these interim condensed consolidated financial statements are the same as those applied in the preparation of the audited consolidated financial statements for the year ended 31 December 2023.

The Bank's management believes that the estimates included in the interim condensed consolidated financial statements are reasonable.

(4) Cash and Balances at Central Banks

- Restricted reserves at the Central Bank of Iraq amounted to JD 168,047,781 as of 31 March 2024 against JD 188,997,501 as of 31 December 2023 and they were excluded from the cash and cash equivalents for the purposes of the consolidated statement of cash flows.
- The balances of Bank of Baghdad at the Central Bank of Iraq branches in Sulaymaniyah and Erbil amounted to JD 24,502,323 as of 31 March 2024 against JD 24,502,706 as of 31 December 2023 and they have been excluded from cash and cash equivalents for the purposes of the consolidated statement of cash flows.
 - Expected credit losses on balances at central banks amounted to JD 28,265,675 as of 31 March 2024 against JD 27,940,942 as of 31 December 2023 which is related to the balances at foreign central banks while the Bank didn't calculate the expected credit losses on balances with the Central Bank of Jordan in accordance with the instructions of the Central Bank of Jordan related to the application of International Financial Reporting Standard No. (9).
 - Statutory cash reserve amounted to JD 294,443,168 as of 31 March 2024 against JD 316,388,152 as of 31 December 2023.

(5) BALANCES AT BANKS AND FINANCIAL INSTITUTIONS

Non-interest-bearing balances at banks and financial institutions amounted to JD 239,985,562 as of 31 March 2024 against JD 428,470,213 as of 31 December 2023.

The expected credit loss provision on balances with banks and financial institutions in accordance with International Financial Reporting Standard No. (9). Amounted to JD 5,300,052 as of 31 March 2024 against JD 5,068,512 as of 31 December 2023.

Restricted balances amounted to JD 8,711,762 as of 31 March 2024 against JD 9,383,933 as of 31 December 2023.

^{*}Represents companies the bank has the right to vote on its boards of directors.

^{**}Interest income rates ranges from 1.75% to 10.75%.

^{***}Interest expense rates ranges from 1.25% to 7.5%.

⁻ The Salaries of the Bank's executive management and its subsidiaries amounted to JD 1,887,948 for the period ended on 31 March 2024 (JD 776,080 for the period ended on 31 March 2023).

(19) LAWSUITS AGAINST THE BANK

The value of the cases filed against the bank and its subsidiaries amounted to JD 29,519,989 as of 31 March 2024, compared to JD 11,172,851 as on 31 December 2023, as per the opinion of the management and the bank's legal advisor, the bank will not have obligations that exceed the provision taken for it, which amounted to JD 4,240,000 as of 31 March 2024 compared to JD 3,578,169 as of 31 December 2023.

The value of the cases against Ejara Finance Leasing Company amounts to JD 217,334 and will not result in obligations

(20) AUTHORIZED AND PAID IN CAPITAL AND DISTRIBUTED DIVIDENDS

The Board of Directors recommended the distribution of cash dividends to shareholders at 8% of the total paid in capital and that from the voluntary reserve which is equivalent to JOD 12 million. This percentage was approved by General Assembly of shareholder of Jordan on 25 April 2024.

Cash dividends were distributed on the shareholders at 8% from total paid in capital and that from the voluntary reserve which is equivalent to JOD 12 million for 2022.

(21) STATUTORY AND VOLUNTARY RESERVE

The bank did not deduct the statutory and voluntary reserves according to the Jordanian Companies Law as these are interim financial statements. As the deduction is made at the end of the year

(22) FAIR VALUE HIERARCHY

A. THE FAIR VALUE OF FINANCIAL ASSETS AND FINANCIAL LIABILITIES OF THE BANK SPECIFIED AT FAIR VALUE ON AN ONGOING BASIS:

Some financial assets and liabilities of the Bank are evaluated at fair value at the end of each fiscal period. The following table shows the information about financial assets and liabilities (evaluation methods and inputs used).

	Fair Value					Relationship
	31 March 2024	31 December 2023	Level of fair value	Valuation method and inputs used	Significant intangible inputs	between fair value and significant intangible inputs
